The Department of Family Services has completed the investigation regarding alleged violation(s) of the Wyoming Child Care Rules received on 12/21/2023, and investigated by Teddie Schrayner.

A statement of childcare allegation, CPL-5599, was provided on 01/03/2024.

The finding is listed below for each individual alleged violation of the Wyoming Child Care Licensing Rules:

1. Finding: Non-Compliant

Regulation: Chapter 4. General Requirements
Section 19. Infant and/or Toddler Care.

(b) Sleeping infants shall:

(ii) Be placed on a firm, flat surface for sleeping with no loose bedding;

Allegation: It is alleged that on or about 12/21/2023 an infant was sleeping in a crib with a blanket and toys.

Explanation of Findings: Through interviews, observations, and evidence obtained over the course of this investigation, it has been found that on multiple occasions from December 2023 to January 2024, various staff members have worked in the infant room, and although have completed biennial safe sleep training, are sleeping infants with blankets and in equipment not designed for sleep.

Action Required: As this is a repeat violation an additional 1 hour of training in the area of infant care to include safe sleep practices is required for all staff working in the facility at the present. Additionally, please submit a corrective action plan detailing how infant toddler directors for this facility will monitor and ensure that all staff will apply the safe sleep practices from the approved training and will ensure that infants are slept in sleep equipment with no toys, blankets, etc. as is required by licensing rules.
