The Department of Family Services has completed the investigation regarding alleged violation(s) of the Wyoming Child Care Rules received on 03/26/2025, and investigated by Danielle Farino.

A statement of childcare allegation, CPL-5893, was provided on 04/02/2025.

The finding is listed below for each individual alleged violation of the Wyoming Child Care Licensing Rules:

1. Finding: Non-Compliant

Regulation: Chapter 7. Child Care Center
Section 2. Capacity/Supervision Requirements.

(b) Staff:child ratios and supervision as described in this chapter shall be maintained at all times.

Allegation: It was self reported on 3/26/2025 that on that same day, a child was in a classroom without adult staff supervision.

Explanation of Findings: It has been found through interviews and a review of video footage at the facility, that on March 26, 2025, children in the Roly Poly classroom were transitioning to outside play time when a 1 year old child was left in the classroom. It has been found that staff members CK, SP and BF were all responsible for the children throughout this transition and failed to ensure that they had all children with them. This child was alone in the classroom for approximately 10 minutes.

Action Required: The facility has outlined requirements that they have put into place for staff involved in this incident, and one staff member was terminated as a result. The facility is requiring staff who are still employed to take 4 hours of training in the areas of supervision and staff interactions, to be completed by 4/30. The staff members also were required to submit a one page document reflecting on what they learned from this incident. The facility will also conduct random "pop-ins" for all classrooms to ask how many children the staff have, to encourage them to always be aware of the number of children assigned to them. This training and these requirements are sufficient and will be required as compliance by DFS Child Care

Licensing, to be completed no later than 5/15/2025. A corrective action plan signed by facility shall be submitted to DFS outlining this plan.
