Comments/TA Provided:

Facility visit completed through Zoom call. Walked through facility. New windows and flooring have been installed throughout building. Brightwheel program is used for attendance, billing and parent communication. Jelli states menus and diaper changes are sent to parents in real time and parents are very appreciative of the new program. Preschool room- 6-4YO, 2-5YO, 1-3YO: 2 staff + Jelli as float. Toddler room- 2-2YO, 1-1YO, 1-infant. Observed infant to be sleeping appropriately on a flat surface with nothing in crib. Observed both bathrooms. Facility is active in CACFP food program. Jelli states they are still receiving children at the door and mitigating parents inside of the program. Discussed sanitation inspection. Sanitation inspector reached out to licenser last week regarding the expired inspection and stated it would be done within the month. Jelli stated the facility has a COVID plan in place to send to parents in the event of an unplanned closure. Outdoor play space inspection will be completed in the Spring.
