Monitoring visit. Checked new staff records for T.S. & T.R. Q.L. is 16 years old, youth trainee records are not needed for him. His TB assessment is still needed. R.S. out of state C.R. forms have not yet been re-submitted. C.W.'s out of state C.R. was re-submitted on 8/19/20. As per Christina much of the staff training has been completed but has not yet posted to STARS. Discussed the TB self assessment forms and when the form needs to be completed by a medical professional. No Violations cited.
