Virtual visit on this date. Ages of children attending at the time of the visit were 1, 1, 2, 2, 2, 5, 5 with 2 staff. Nanette provided a video walkthrough of the child care space. She reports there have been no changes. Nanette tested her bleach solution for licenser. It was a little strong, but she fixed it during the visit. They are using hand washing, hand sanitizer, daily toy sanitizing as COVID precautions. We discussed central registry expiration. Nanette stated she has sent those in and they should be coming back any day.
