Comments/TA Provided:

Fire expires in December 2021. 5 children present with 1 staff. 4-4 yr olds and 1-2 yr old. Considering closing for a few days due to more than 50% of the children are out ill with influenza A, covid, rsv etc. Checked 2 child records and 2 new staff. Jessie Starner and Kimber Whitney are two staff working who do not have current CR's. Sub Violation cited. Please scan the central registry forms to make it go faster for you. Copy me as well please. Only qualified staff may be providing care until the results are returned. With Jessie out until the 29th you may be ok. I can try to get them expedited also if you need me to.
