5 staff present with 13 children, 2 infants, 3 - 1 yr, 5-2y, and 4-3yr. Observation and ratios were observed and in compliance. Lunch was served to the children, facility is participating in the school lunch program. New staff records are present. Licensor requested updated CCL-205. Outside area was discussed, parking lot area is used occasionally for trike, riding toys. Licensor discussed the area has to be fenced off. Fence can be temporary or permanent but without a fence the area can't be used. The age of the children and proximity to the street causes a safety risk. Director explained fencing material has been purchased but not installed yet. Trikes and riding toys will be used inside the fenced area until parking lot area can be fenced off.
