Comments/TA Provided:

Out to facility to deliver CCL-301 re: not reporting injury to parent. CCL-301 (statement of allegations) given to Yvonne. Discussed allegations with Yvonne. Also, conducted Director Visit with Yvonne and completed CCL-200 Initial Inspection report. Received and verified staff records, and staff/child ratios while at facility. There was an unqualified adult working with children in the 3-4 year old classroom (Lion King) - A qualified staff was moved in to the classroom with Jessica to achieve compliance. Please remember that all staff that are not completely qualified must be directly supervised at all times until fully qualified. CCL-301 will be emailed.
