Required unannounced visit completed this date. Also, delivered CCL-301 re: diaper changes, and staff drinking on the job. Yvonne was gone when we arrived so we spoke with Erika and gave her copies of the CCL-301. Yvonne did come to the facility while we were there. Discussed time-out and staff being gruff with children. This was addressed while we were at the facility and the staff was . Due to staff changes they are doing mixed ratios. Verfied staff records, all information is current and on file. There are a couple staff working on variances, however, they are with qualified staff and wearing the red ribbons. Did request that Yvonne post the variance letter on the bulletin board so that parents are aware that they have staff working on variances. The children are eating lunch. Lion King - 12 children with 2 staff (3-5) with Theresa and Violet. Zootopia - 14 children with 3 staff Madysn, Shaylynn, and Alexis (1 1 yr old 8 2 yr olds, and 5 3 yr olds. Winnie the Pooh - 7 children with 5 1 yr olds, and 2 infants. Monsters Inc - 18 children with Brandy and Abigail (school age) Discussed with Yvonne that the plastic door knobs need to be removed as they should not have equipment that requires special knowledge to get the door open. Yvonne stated that fire did not say anything. Gave Yvonne the information that I would check with Fire to make sure. Yvonne was unable to print the staff record at the time of the visit but will email me a copy. Please call me with any questions. Thank you!
