Unannounced visit to deliver CCL-301, statement of allegations. Gave copy to Yvonne, discussed allegation with Yvonne. Reviewed staff records Yvonne has 2 staff that need health and safety and were working with children unattended. Yvonne stated that she was supposed to be with the staff in the infant room, so we moved into the infant room so she could be with staff. Staff were moved into the classrooms and Yvonne will have them complete these. Discussed staff that need to be added to STARS and their information. They recently moved classrooms around and moved the 2-3's up front and they were supposed to be in 2 separate classrooms. The staff in the room were having issues trying to keep the children on their sides of the classroom as there is not a barrier between the classes. Discussed with Yvonne there needed to be a clear barrier so staff were not having to struggle, or they needed to add another staff, or drop to a 2 to 15 staff/child ratio. A 3rd staff was moved into the classroom and the children will be able to use both sides of the room. 4 infants with Yvonne and Anastasia 8 children 1 infant, 2 1 yr olds, 2 2 yr olds, 1 3 yr old and 2 4 yr olds with April. 12 children 4 3 yr olds, and 8 4 yr olds with Brandy and Erika. 18 children with Kylee and Theresa (2-3 yr olds). Staff moved into bring classroom into correct ratios. 6 1 yr olds, 1 2 yr old, and 1 3 yr old with Hanna and Violet. During the visit it was observed there was an infant sleeping on a Boppy Pillow swaddled in a blanket with their arms confined. Was requested to be unswaddled. Was unswaddled. Reminded Yvonne, and another staff that infants could not sleep with the pacifier attachments. CCL-301 and CCL- 305 observed violations emailed to Yvonne for training, staff/child ratios, and infant sleep emailed to Yvonne on this date requesting a CAP by 09/15/21. CCL-305 will be sent Please call me with any questions. Thank you!
