Facility visit completed this date. New rule book was given to Yvonne. They have moved classrooms around to accommodate the ages of the children. I will check with the original measurements of the room to make sure that it meets the requirements for cribs to be left up. I will email the variance form for CDC worker to be with children alone. Reviewed staff records with Yvonne, all information is current and on file. Yvonne gave me a new staff record summary. There are 7 3 yr-olds with Violet, 16 4-5 yr-olds with Brandy and Emma 8 1 yr-olds with Octavia and Melody, 12 2 yr olds with Reagan and Kiley. 6 infants and 1 1 yr old with Avery and Christyona. They have a new Cares director, Rebecca Atchley. Please call me with any questions.
