Comments:		
<p>Facility Inspection completed with the what's app application. Licensor was able to view records, needed documents, facility and children during this visit. Discussed infant sleeping, at this time Linda is sleeping infant on the floor. Discussed fire and that they are allowing a six-month provisional license. TA - Discussed diaper changing, please use a mat instead of a blanket so that it is easily cleanable and it needs to be done within 12 feet of the bathroom sink. The infant is the only child that needs diapers. Discussed supervision and to assure that any children three and younger are in the same area of the facility as Linda is. If they are older they can play in the playroom but must be checked on every few minutes. Discussed COVID, Linda did get COVID and had to close, however worked for 5 days prior to being tested. Discussed that if anyone in her household has signs or symptoms to have them tested and to call me with that information. Requested that Linda send all her renewal documents to me for her license.</p>		

69. Child Records Notes

There are 8 children enrolled at this time. Verified children's records, discussed having them updated annually either by sending new forms home or having parents initial and date each page showing that it has been reviewed/updated. All information is current and on file.

70. Staff/Volunteer Record Notes

Linda, her husband, and their granddaughter live in the house. Discussed staff she does have her daughter qualified in her program. Discussed making sure to keep her information updated and current as well just like they are doing with theirs.

71. Staff Child Ratios and Supervision

There are 2 children present at the time of visit and an infant and a 3 yr old with Linda. 6 more children will come to the facility after school.
