Required unannounced visit. Things are going well since reopening. Discussed COVID and if they have suspected or positive results to please contact me. Discussed assistant director requirements and what they would need. There are 18 children present with 2 staff Heidi and Mary. Children in the gym playing. Heidi has 25 children enrolled this year. They are keeping up with sanitation requirements. They have no new staff all staff requirements current and on file. They haven't added an afternoon class but if health orders change they may do this. Other than no field trips and not having visitors to the program they haven't had any changes. Heidi is taking kiddos to front doorway and releasing children one at a time to keep gathering at a minimum. Please call me with any questions.
