This is a virtual zoom visit due to COVID-19 restrictions. Assistant director, assisted with the visit. There were 18 children present. There were 3 in the infant room with 1 staff. 1 infant and 2-1 yr olds. 2 were sleeping and were in appropriate sleeping positions. The infant log was up to date. There were 5 -1 yr olds with 1 staff. 10 4 and up were with one staff. Reminded that there are several who need to redo the central registry screens. It is in process. Fire and health are in compliance until fall. A new hire, Charish, seems to have the appropriate documentation on file. Looked in cupboards and there were no safety hazards noted. Thanks for your patience and hope you all stay well.
