Comments/TA Provided:

Unannounced visit completed this date. The children are playing outside on the playground there are 30 children 3+ with 4 staff, Savannah, Shelby M., Shelby J. and Jaylon. Discussed what happens when they have an injury at the facility and how they handle them. Reviewed staff records, and looked at new staff files. Savannah has been in the classroom so hasn't had a chance to update the staff record. Reminded her that after 8/2/22 this will be a requirement to have on file. New rule book and rule tool was given to Savannah. New Staff Orientation is not showing for Soren (rehire) they are using Soren's information from the sublist with Penny. Tayler, Nataly, Jaylon, or Charissa. Also Soren needs to complete all Health and safety modules (1-12) including FA and CPR, Taylor was a super short term staff her last day is tomorrow she is working with other qualified staff. Please update staff record summary and send me a new copy. 3 infants and 3 1 yr olds, with Bree and Nataly, 5 1 yr olds with Luna, 7 1-2 yr olds with Alicia and Emma, and 10 2-3 yr olds with Soren and Emma W.
