Comments:

Thank you so much for working so hard to ensure that the child care space is appropriate for children and for being such a fantastic provider. Received updated facility operating hours. Will review policy statements and emergency prep plan to ensure compliance, renewal fee, provider will email CCL 100b and other required renewal documentation

69. Child Records Notes

There are a total of 6 children enrolled at the facility. Child records are updated in the fall and are a work in progress. Reviewed 3 child records at the time of the visit. Child records are from 2018 but provider states that none of the child enrollment information has changed and it was approved by licensing in 2019 that she could wait another year to update if the information had not changed. Emergency medical consent needs to be on file for all children and is ensured to be on file after all updated child records are completed. Staffed with supervisor and will follow up in fall to ensure compliance that all records are updated and current.

70. Staff/Volunteer Record Notes

Staff records are all compliant at the time of the visit. There is a variance currently on file for household members awaiting DCI/FBI Fingerprint results and out of state central registry.

71. Staff Child Ratios and Supervision

There are 6 children in attendance at the time of the visit (1 - infant, 1 - 1 years old, 2 - 2 years old, 1 - 3 years old, and 1 - 4 years old) and they are just sitting down getting ready for lunch. There are two extra children joining them for lunch but they are household children and mom is supervising them, they are not considered in child care. There is one staff person Kandi.
