Comments/TA Provided:

Required unannounced visit. There are 4 children present at the time of visit. They are playing with toys. Cristol only has 4 children enrolled at this time. She hasn't had any new kids start. Cristol got some funding for a new playground. It is in the process. Gave her the information to call me and have it approved and inspected prior to letting kids play on it. Haven't made any changes to the rest of the program. Things are going well. She was going to hire a sub but hasn't done so yet. Please call me with any questions. Thank you!
