Out to check playground as Cristol got new playground equipment. The ropes and cargo net were hung up until the time that they equipment can be moved so that use zone can be achieved. Her son will come over this weekend and help her move. The children can play on the slides as they meet the use zones and requirements. Cristol will move equipment and keep it latched up until it can be approved. There are 4 children present at time of visit. Addison 1, Logan 1, Blake 2, and Leighton 3 and Cristol will have a preschooler coming after he gets out of preschool. Once Cristol moves equipment and gets the anchors she will contact me to reapprove the playground. Please call me with any questions. Thank you!
