Comments/TA Provided:

Unannounced visit completed this date. Discussed new central registry being online. Cristol still hasn't received her results. She did resend them in again. If they are not received by 05/08/22 you will want to request an extension on the variance. New rule book given to Cristol. Explained they will all need to be in compliance by 08/02/22. Cristol has 10 children enrolled in at this time. There are 7 children present at time of visit. Collin 8 mos, Piper 2, Teagan 2, Blake 3, Emery 3, Leighton 4, Salome 4. Cristol will have 2 other children coming today. The infant is sleeping in a pack n play or Cristol will hold him. Reminded Cristol that she needs to be doing diaper and feeding logs. Cristol stated that she thought they had to have an emergency evacuation kit. I told her that I would need to check on that and will let you know. Please call me with any questions. Thank you!
