Comments/TA Provided:

This facility visit was conducted virtually via zoom. The provider completed a walkthrough of the available space for the child care at the facility. The kitchen is off limits to children and they are never allowed in the kitchen space unsupervised but it does not have a gate, the children in care are taught to wait at the carpet in the dining room but not enter the kitchen. Provider has license, emergency numbers, emergency binder, and evacuation route posted. There are 3 children in attendance at the time of the visit with one staff person, Linda ( 1 - infant, 1 - 1 year old, 1 - 4 year old) The attendance record is current and up to date. Reviewed safe sleep practices with provider and she is very diligent and responsible with safe sleep and infant care. Staff records are all compliant at the time of the visit. Facility is compliant at the time of the visit. Discussed external inspections and provided TA for completed training for the coming year. Licensor will forward PLC email so provider can reach out to regional facilitator and in get in on some of the coursework that is being offered.
