Comments/TA Provided:

Facility visit to remeasure room to make sure measurements are correct. Room measures 20.5x 11.25 = 230.65/35 = 6.58. Karen is gone today and Heidi was gone but came in during the visit. Discussed with Heidi that the room would measure for 6 and she could request the variance if the room needs to go over 6 children. Until the time that a variance approval is on file the room should have no more than 6 children. Heidi has one new staff Victoria Cameron, all records are current and on Will email you the visit form from October 2020. Please call me with any questions. Thanks!
