Extra visit to deliver items from Penny Hotovec, and to schedule facility inspection. When Licensor arrived at the facility there are two staff present, Sarah and Abigail. Sarah has 1 infant, 4 1 yr old, 2 2 yr olds, 1 3 yr old and Abigail has 10 children, 1 2 yr old, 8 3 yr olds, and 2 4 yr olds. Sarah called Heidi and she is coming to the facility. Had Heidi re-sign the application for recertification. Abigail is working at the facility from the sublist. Heidi is going to hire her for her facility and was explained how the hiring process works and that she would need to qualify her under her program. Heidi is going to take over the director for Karen. Will need the director paperwork to change the director. Central registry for Heidi was received, however looks like sex offender hasn't been received or was missed. Explained to Heidi that she will continue to adhere to the variance and be directly supervised by qualified staff at all times until the time that the results are received. Facility inspection was scheduled for October 26, 2021 at 9:30 am. Please call me with any questions. Thank you!
