Required visit completed on this date. There are 12 children present with Kayla and Josiah. They have one child with Brenda who is not feeling well. They're trying to get in contact with the parent to come get him. Bew rule book and rule tool given to Heidi. Discussed new requirements, and that new requirements must be in compliance by 08/02/22. They are using one new staff Josiah that they are using from the sublist. Heidi has met her own requirements, they are not sure if they are going to hire him full time as he usually works at the college. Discussed new Early Learning Standards and that they will just replace the ELG/ELF training. Things are going well, no changes. Gave Heidi the information that there were sample policies online and that she could also contact Penny for assistance. Heidi hasn't still found a director for her program so she is going to be the director discussed what was needed to complete the director change. Please call me with any questions. Thank you!
