Comments/TA Provided:

Regular unannounced visit. Check playground: The new deck balusters are more than 3.5" apart, measuring up to almost 4", there a 4" space under the bottom deck rail to the deck surface. The Licenser recommended she request a variance for the spaces. The new gates have spaces more than 3.5" Savannah said they do have smaller mesh ordered to add to the gates, it is on back order. Savannah is planning on having her well test run next week.
