5 children were present. Ages 1-1 yr old, 2-2 yr olds, 2-4 yr olds. Savannah and her spouse are current on the qualifications. Checked playground. Looks great. Let me know when you install the new equipment. Fire current, self health completed, and well water is negative. Great supervision and organization. Breakfast looked great! Good that you are doing the conference in two weeks. Thanks for the quick response regarding fire and well water.
