Unannounced visit completed on this date. Ratios in compliance in all rooms. Staff in infant room (MW) was doing an amazing job engaging the infants, using big facial expressions - an absolute pleasure to watch! Technical assistance for one outlet in the toddler room, and for one central registry that is believed to have been done in December. Licensor will check with central registry to see if results can be located however, facility will re-run this check asap, just in case. Discussed COVID policies and sanitizer. Licensor will look in sanitizer question and get back to Nicole.
