Observations/Comments:

~~TA~~
TA regarding keeping direct sight & sound supervision of children at all times. Blankets at side of crib need to be removed. Make a line of sight into infant sleeping room by kitchen. Room in back is too dark - must have enough light to see a change in complexion. Back room teacher is across the room with bookshelf in the way and cannot see children napping. No cribs in office.

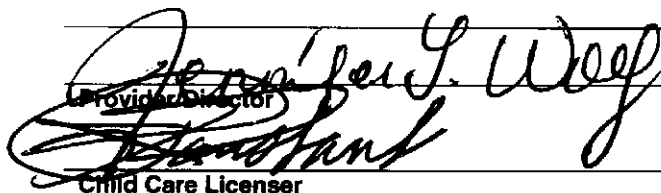

☐ Observed Violations:

The Department of Family Services has observed an allegation of violations of Wyoming Child Care Licensing Rules or Certification Law. The Department is legally mandated to investigate all child care allegations. The Department requests your cooperation. In the absence of such cooperation, the Department may take whatever steps are necessary to assure the safety of children. The Department's information may be shared with authorized individuals or agencies which include but are not limited to, the Attorney General, County Attorney, and law enforcement.

TA Children are not within sight/sound at all times.
1 - Room is too dark to see change in complexion
