8 children present; 3- 1 year old, 1- 2 year olds, 3-3 years and 1-4 years, with Leann. The Licensor will check to see if the Cowboy Conf. was recorded. Checked sanitizer solutions, be sure to keep the Changer area sanitizer in the bathroom, 100ppm-200ppm There was not a sanitizer solution mixed at 50ppm-100ppm in the kitchen. Write the sanitizer strengths on the bottles. The napping children need to rest in an approved space that is maintained to be child safe. Remember to keep the bedroom doors open so children napping in the room can be clearly heard. The Licensor will return during a morning to measure the rooms and approve the rooms to be used for napping. In the meantime do not use the office for napping. Paper towels replaced in the restroom during the visit.
