Comments/TA Provided:

Unannounced visit completed virtually via zoom on this date. Facility looks great, no hazards were observed. Ratios in compliance (1:4 - 1 infant, 1 2 year old, 2 3 year olds). Discussed opening a new facility with Maria's husband as the owner, licenser advised obtaining zoning approval first and Maria understands how her time would need to be split. Licenser requested CPR/FA and pre-service certificate for staff member AG.
