Comments/TA Provided:

Unannounced visit completed on this date. Provided new rule book. Reviewed staff records, everything in compliance. Staff member is nearing 90 days and still needs CPR/Fa, obtain before the 90 days or if there is a reason it cannot be obtained, request a variance. Great job on records. Ratios 1:7 (4-5), 2:7 (1 infant, 5 1s, 1-2), 2:7 (2-3s). Discussed 9 week old puppy that is in care, does not have rabies - do not allow children to handle until rabies shot has been obtained. Discussed having multiple assistant directors. No hazards or violations.
