Required unannounced visit completed this date. Melissa is wanting to move infants to the front area of the facility. She will have extra staff to be able to change diapers/wash hands in the back. Discussed what will happen when they don't have an extra staff due to illness/vacation etc. Melissa stated that they will take the children with them. Melissa wants to leave 3 pack n plays up, will measure the room at 50 sq ft per child. The room measures 12 x 16 = 192/50 = 3.84. Discussed that she may possibly be able to request a variance to allow for four children since there is only going to be non walker/infants in the space. I will email a variance request to Melissa. There are 13 children present at time of visit, they are outside playing. Rowe 2 ,Raylynn 4, Feyre 3, Sidney 3, Orion 4, Maxine 3, Gideon 3, Gwen 4, Gunner 5 w/ Becky and Mckenna Kyran 1, Cowen 1, Wylie 1, and Alora 1 w/ Melissa D. There are 26 children enrolled at this time, she has some part-time children that only come one day a week. Melissa has 1 infant enrolled at this time. While outside it was observed that Melissa added slides to the playground that were too tall and needed to have surfacing. Slides were removed from playground area. Discussed that they either needed to be dug down in to the ground so the fall heights were less than 24 inches or that they needed to have surfacing with a minimum of 6 foot use zone. Reminded Melissa that any equipment with a fall height of 24 inches plus is required to have surfacing and use zone. Also, she has divided the playground area so that the older kids, and younger kids have separate play spaces. Explained to Melissa that the side that she split needs to have fencing placed in the front area. Melissa will have all children play in the fenced area until the time that a fence can be added to the other side. Technical assistance given at this time. Reviewed staff records, all information complete and on file. Discussed rule changes and suggested that Melissa attend one of the rule meetings so that she has an overview of the changes and can ask any questions. Please call me with any questions. Thank you!
