Comments/TA Provided:

Monitoring visit done this day. No new staff, working in the facility yet. There is one person is is completing background checks and training before she comes to work. Discussed having on file signed documentation for each staff stating they have read the Licensing rules and facility policies and proceeds. This documentation is required by rule as part of the Facility Staff Orientation process. The children were playing in the yard when the Licensor arrived. 13 children present: 2- infants, 1- one year old, 2- two year olds, 9- three and four year olds. All the children were outside when the Licensor arrived. 1 staff's out of state C.R. has not been received back yet. The Licensor picked up new document for the NE C.R. from Stacey this day. It will be mailed to the WY State Office by the Licensor. Playrooms and restroom checked. No violations observed.
