Comments/TA Provided:

Technical Assistance visit made for the Department of Health. 10 children with 2 staff, no infants present. Obtained the list of children in care and staff and their contact information. Tested bleach solutions, please mark: the changing area bleach solution 100-200ppm, mark the kitchen and toys 50-100ppm. Use the bleach solution 50-100ppm on the kitchen counters and to sanitize the dishes. Discussed hand washing, have the children and staff wash hands when they arrive in the facility. Staff need to wash their hands before and after diaper changing. Hit the bathroom sink handles and door knobs intermittently during the day.
