Comments/TA Provided:

Unannounced visit completed this date virtually via Facetime. Ratios in compliance at the time of the visit (1:1 - 4 year old). No hazards observed, gates in place in front of fire place, stool in bathroom for handwashing. There is a new puppy at the facility and shot records, including rabies shot, are current. Discussed storage of bedding, it is all stacked together in the morning, but is used for nap time, stripped and washed daily - in compliance. Everything looks great - great job Lena!
