Comments/TA Provided:

Unannounced visit completed on this date. Spoke with Amy and Lynde. Discussed staff and how things were going. Discussed rough handling, and the way that staff speaks with children. They have had some staff movement at the facility. Hannah - Typically has 10 children 18mos-2 yrs old but they are low on numbers. She only had three children today so they have gone to other classrooms and she is cleaning and helping out other teachers. Leah has 8 children 2-3 yr olds Naomi has no children and is in the kitchen and cleaning around the facility. Megan has 10 children 3-4s upstairs. Honesty and Angel have 6 infants. Gabby has 4 children 15 mos- 4 yrs old. They are normally averaging 40-43 children during the day. Please call us with any questions. Thank you!
