Comments/TA Provided:

There are a total of 14 children in classroom #1 at the time of the visit with 2 staff members, Denise and Jen (14 - 5 years old). There are a total of 10 children in attendance in classroom #2 at the time of the visit with 2 staff members Melissa and Debbie (1-3 years old, 8 - 4/5 years old, 1 - 6 years old). Reviewed physical attendance records on site for both classroom at the time of the visit. Reviewed staff attendance for both classrooms at the time of the visit. Reviewed staff records to ensure compliance. One staff person does not appear to have current central registry on file at the time of the visit. One staff person does not appear to have current sex offender registry on file at the time of the visit. Received new central registry application for Melissa at the time of the visit. Child care licensing will check in with central registry because there is email chains available stating that the staff submitted the application for central registry in August and even followed up to see when it was processed during the end of September and central registry said they had not gotten it done yet.
