Comments/TA Provided:

Unannounced visit completed on this date. Jessica is not at the facility yet but is on her way. There are 23 children ages 3-school age with three staff. Megan, Lacey, and Julie. Also, Lacey H. is additional staff in the kitchen during snack. They were out playing out on the playground and went in shortly after, to have snack. Licensor did observe they used the restroom and washed hands prior to having snack. They will be going to the library this afternoon. New rule book given and rule tool given to Jessica and new rules discussed. Received new staff record, all information is current and on file. Reminded Jessica to send CPR/FA for all staff to STARS. They will be getting new surfacing for their playground. Jessica will call me to help with the playground as they are looking at possibly moving some equipment. Discussed that the playground will need to be inspected and approved prior to use by the children. Jessica is also looking at possibly opening before and after school care program. Have a great rest of the summer! Please call me with any questions. Thank you!
