Out to look at new forever lawn surfacing that was installed. They have only resilient surfacing underneath the monkey bar climber. No other equipment requiring surfacing can be used in this area as it's not resilient surfacing. The playground can be used once the horses and the broken toys are moved. They will be getting mulch for the other side within a couple weeks. I will need to come back and inspect/approve. They have no new staff since last visit. There are 10 children 2-4 with Julie and Naomi and 12 children 4-5 with Megan. There are 9 children at Mike Cedar swimming with Lacy H and Lacy D. These children are all above 6 yrs of age. Please call me with any questions. Thank you!
