Comments/TA Provided:

Virtual visit conducted on this date. Janet had 6 children present. 1 infant and 2 one yr olds and 2 two yr olds and 2 that were over three years of age. Janet was provided with additional information regarding ratios for if she wanted to enroll more children to total 8. Her qualifications and the fire and health are current at this time. Janet did a walk through of the facility and the children were napping appropriately in appropriate rest equipment. Janet also shared how she is following the health order for temperatures, arrivals, and departures. All is within guidelines. Thanks Janet and I hope you have a wonderful holiday with your family.
