Comments:

Renewal visit completed this date via zoom. Was able to verify all records, facility, and staff/child ratios via zoom video. Janet will send me her fire drill record, and update her new staff on the STARS registry. Discussed issuing a provisional license to allow time for the fire drill once these items have been completed.

69. Child Records Notes

They have 60 children enrolled at this time. Verified children's records, all information updated and complete. Janet is getting updates on children's records twice a year.

70. Staff/Volunteer Record Notes

There are 2 new staff. Reviewed staff records all information current and on file. Discussed sex offender and that since the emergency rule change it needs to be on file or a variance in place prior to having staff start as it is a required hiring verification like the DCI/FBI and central registry screens.

71. Staff Child Ratios and Supervision

There are 6 children inside with Kayla (18 mos, -2) and 16 children 3+ outside with Julie, and Gabby.
