Comments/TA Provided:

6 children in care with Carla and Ashly. 2-1 year olds, 3- 3 year olds, 1-4 year old. There is 1 infant enrolled, but he is not in care today. Central Registries are due this coming March. Attendance checked today. Discussed keeping bedding under the nappers. Checked the bathroom and the cabinet under the kitchen sink. They have added a St. Bernard puppy to the household, he is 4 months old. Vaccinations were checked, Rabies is current. No changes to the playground, other than the puppy. No changes to the meals or food prep. They are either playing outside in the yard or are going for walks daily. Children are screened upon arrival, parents do not go any further than the laundry room. Parents wear masks when in the facility, temps are taken, hands are washed upon arrival, shoes are not worn inside. Door knobs are sanitized between arrivals. Toys are sanitized in the dishwasher. No stuffed animals are currently in use.
