Received CCL 100b, renewal fee, staff summary, copy of the food program menu at the time of the visit. Discussed the dog with the provider, and the dog is very protective of the children but at no time has ever had a history of violence and at no time has the dog ever harmed a child. Reviewed child care licensing policy about animals with Donna. Provider corrected attendance record as new children arrived and was compliant on site.

The child records are updated annually if any changes otherwise the child record is just reviewed with the parents and any corrections or changes are made.
