Comments:

Fire inspection was completed on 11/18/2020. Viewed on site. Training has been reviewed. Jeri has 39 training hours to include the required. Billie has 5 documented and is working on completion of the remaining 11 which will include the health and safety basics. Let me know when Billie is finished and I will issue the certificate. Monitoring of the previous discipline concern was monitored. Journaling has been done well. No further monitoring is necessary. The "moments" are important to revisit which Jeri is doing. Rcvd renewal fee, CCL-100b, and CCL-205. No questions. Thanks for all that you do to provide such a wonderful environment for children and families.

69. Child Records Notes

12 children are enrolled. 4 child records were reviewed. All were in compliance and well done.

70. Staff/Volunteer Record Notes

All staff qualifications are current and in compliance. Billie has had her FA/CPR expiration date extended to 8/31/2020. She is scheduled to renew the certification before the end of August.

71. Staff Child Ratios and Supervision

2 staff with 7 children. 2-3 yr olds, 4-4 yr olds, 1- 9 yr old. Jeri spent time with licenser and Billie was with the 7 children outside. This worked well and thank you very much.
