Comments/TA Provided:

Facility visit completed this date. There are 12 children present at time of visit ages 2-3 year olds with 3 staff. At this time all of their classes are full and they have a waiting list for this classroom. At this time Danielle is the assistant director. Reviewed staff record all information current and on file. They have no new staff. They will be going on Christmas vacation from 12/17/21-01/02/22. They ordered a new playground and it will be professionally installed for ages 2-5 and they will be also getting a fence. Reminded Mandy to contact me once it is installed so that it can be approved prior to children playing on it. Mandy does have a visiting therapist that just started and has all her information and will get her added to the staf record and send me the updated copy. Merry Christmas and Happy New Year!! Please call me with any questions. Thank you!
