Comments/TA Provided:

Unannounced visit to look at new playground area. They have a play structure with slides. There is plenty of surfacing and use zone. The fence will need to be close to the retaining wall as there is only 1 foot of spare space. If you would like to use the playspace prior to the fence being installed you will need to request a variance for use. I will email you the variance form. I will contact you in the coming weeks to schedule your renewal visit. No new staff at the time of the visit. Please call me with any questions.
