### Comments/TA Provided:

Unannounced visit to facility. There are 8 children (3+) with Hailey. Going to the play area for playtime. There are 6 children 1-2 with Valerie There 5 3 infants and 2 1 yr olds with Hailey Ryerson and Beverly. Hailey is working with avariance but is supervise at all times. Checked attendance in each classroom is current and up to date with both staff and children. Verified staff records, reminded Angela that anytime staff leaves and comes back they need to be fully requalified with all requirements. Please check with STARS regarding CPR/FA for Valerie as it is not showing correctly on STARS. Also, Valerie needs to complete #3 medication training. Please have her complete this as soon as possible. Discussed staff child ratios, diaper changing and handwashing. Please remind staff to make sure that they are washing their hands before and after diaper changes. You may use sanitizer in addition to handwashing but not in place of. Gave Angela the information that we do have other licensers helping to cover the territory so she could possibly see other licensers come to the facility for visits. Please call Stoney or I with any questions.
