Comments/TA Provided:

Technical Assistance visit made to check the new playground equipment. There is a set of 5 stepping platforms near one of the slide chute exits. Two of the platforms are 4.5' and 5.5' from the end of the slide chute. The platforms are more to the outer side of the chute. A variance will be requested for these being in the 6' use zone. Reviewed the files for two new staff. Discussed staff requirements, WY C.R., CCL-108, TB, and out of state C.R. must be on file prior to staff working in the facility, unless a variance is approved for staff to work supervised.
