Comments/TA Provided:

This visit is a combination of the annual unannounced visit and compliance monitoring visit for staff qualifications. There are 5 children in attendance in the 2 year old room with 2 staff person's, Hailey and Dusty (5 - 2 years old). There are 4 children in attendance in the 1 year old room, this room is currently quarantined due to a positive staff person, the children and staff in this room will all be sent home until further notice. Did not enter this room however observed through windows (4 - 1 years old). There are 3 children in attendance in the infant room with one staff person SYlvia (3 - infants). Reviewed corrective action plan that was submitted for compliance and reviewed CCL 205 staff summary with director at the time of the visit. New staff that only have the online portion of CPR/FA completed are not allowed to administer CPR/FA until they have completed the skills portion of the required training. At this time the facility does not have an in house trainer to completed this but provider will outsource to community partners to see if the hands on skills portion of CPR/FA training can be completed. TA - licenser provided director with public resources for completing FA/CPR training. Facility is all compliant at the time of the visit.
