There are 9 children in attendance at the time of the visit with one staff person, Jatanna (0-infants, 0 - 1 years old, 4 - 2 years old, 5-3 years old). Discussed spring clean up from the dogs and of the outdoor play space before summer. The provider created amazing chair covers to protect her chairs and enable easy cleanup after lunch and snack time. Love this idea. Facility is all in compliance at the time of the visit. The children are all sitting preparing for lunch during the time of the visit. Reviewed attendance for compliance during the visit and reviewed staff qualifications and staff record.
