Comments/TA Provided:

This was a virtual unannounced visit. Misty has decided to not sell her business and is working on hiring additional staff and then increasing the enrollment. Currently all of her staff are fully qualified. They are all working on training hours also. Misty was reminded of her fingerprint date and encouraged to start early on it. Fire is current and health has not been able to complete an inspection. There were 3 children with Ana. 1 infant and 2 one yr olds. Misty had 5 2 yr olds and another staff person covered for her while we did the inspection. There were 10 children with Cortney. 8 were 3-5 yr olds and 2 were school aged children. No concerns. Thank you Misty.
